A telegram was received here Tuesday afternoon, addressed to the mother of Joe Padgett, stating that he had been shot and was in the Grady hospital in Atlanta. No other particulars were given, so that is all that is known about the matter. We looked over the Atlanta Journal for both Monday and Tuesday afternoons, but found nothing in it about Padgett being shot. His mother left for Atlanta Tuesday night. The telegram did not state how he was shot or how badly wounded he was.

Death of Little Harold Free.

Harold, the six-year-old son of Clerk of Court C. B. Free, died at the home of his father in this city last Friday afternoon about three o'clock, after a short illness. The little fellow was strong and well up to the time of his illness, but although everything possible was done, death ended his suffering, as stated above.
The funeral services and burial took place Saturday morning at ten o'clock at Springtown church, the services being conducted by Rev. O. J. Frier, pastor of the Bamberg Baptist church. Harold was a son by Mr. Free's former marriage, his mother being a Miss Stephens.

Robbery Tuesday Morning.

Tuesday morning of this week, about two o'clock, some one broke the large plate glass show window in the hardware store of J. A. Hunter with a brick and took therefrom two double barrel shot guns, both of them being high-priced. The store was not entered and nothing else from the window was taken. There is no clue so far to the thief.
No doubt the reason the thief was so bold was that the electric lights were out that morning, on account of the big belt at the power house having to be taken up, so the plant was shut down about one o'clock Tuesday morning and the belt shortened, in order to give it time to dry so that the service would be interrupted as little as possible.
It will be remembered that only a few months ago the window at the Simmons Hardware Company was broken on two occasions and several shot guns stolen. The robbers steal guns only.

Offered Fitting School.

As soon as the local board of the Carlisle Fitting School heard of the fire which destroyed Columbia College, they wired to President Daniel and offered the use of the Carlisle Fitting School buildings. Dr. Daniel wired his thanks for the offer, but the board of trustees at their meeting last Friday, decided to use the Colonia Hotel in Columbia as a dormitory and the class rooms of the University of South Carolina will be used. The college will open as usual, and the building fund is being raised.

The Cotton Market.

Cotton is selling in Bamberg to-day (Wednesday) at twelve cents the pound, and the farmers seem to be pleased with this price. The receipts continue heavy, twelve hundred bales or more being received this week. Nearly three thousand bales have been marketed here so far this season. Our farmers will find that Bamberg buyers will always pay the top of the market, and it is a fact that as a rule the market here is higher than surrounding towns.

Meeting of Farmers' Union.

Ehrhardt, S. C., Sept. 6, 1909. Editor Bamberg Herald—Dear Sir: Will you please state through the columns of your paper that there will be a public meeting of the Farmers' Union of Bamberg county at the court house in Bamberg on Thursday, September 30th, 1909, at eleven o'clock a. m., to which all farmers and business men are invited. We hope to have good speakers.
Yours truly,
J. E. McMILLAN,
Sec. and Treas. for Bamberg County.

Missionary Rally at Carter's Ford.

The W. M. U. of Carter's Ford Baptist church will have a missionary rally at Carter's Ford church on the third Sunday, September 19, 1909. Miss Haynes will speak to the congregation about State missions. She is an experienced worker, and we will be glad to have her with us and hear what she has to say. Everybody is invited. Dinner will be served on the grounds, and the regular services will take place in the afternoon.
ADA CLAYTON.

Now for a Fire Department.

The laying of pipes, the blocking of streets, and the placing of hydrants, and all the other things necessary to a water works system, having been completed to the point where they can be utilized for fighting fire, the question now up to the citizens of Bamberg is to have a regular organized volunteer fire department.
At a meeting of the city council last week it was decided to issue a call to the citizens of the town for Monday evening, September 20th, to form an organization which shall be a permanent one. The meeting will be held in the court house, as the seats have not yet been placed in the city hall. The hour has been set for half past eight, and it is hoped that a large crowd will be present. Some other plans will probably come up before the meeting for discussion, such as dividing the city into wards, the erection of an alarm bell, and such others as may be incident to such a meeting.
The work done in the past years by the men of the town in fighting fire, when there was little to fight with, is a sure guarantee that the department when systematized will be one of the best amateur teams in the State. Heretofore only bucket brigades have been available for the most part, but now that a full equipment of hose is on hand, with the prospect of purchasing ladders and reels in the near future, the conditions which naturally existed where there is no fire department, will be changed, and there will be no reason why a building in reach of the long hose should be even badly damaged.
As soon as the department is in working order and has all its equipments, Bamberg will doubtless have its insurance rates materially reduced.
Remember the call for next Monday evening in the court house at 8:30 o'clock.
J. D. COPELAND,
Mayor Protem.

NEWS AND NOTICES.
Pastor Frier aided Rev. S. P. Hair in a meeting at Springtown last week.
Very good congregations attended both services last Sunday. Pastor's theme in the morning was "Daily Religion," and at night, "The Last Beatitude."
A committee was appointed in Sunday-school to draft suitable resolutions on the sad death of little Harold Free, who was a faithful member of the primary class.
The pastor announced that he would go away Monday on the last part of his vacation, and that there would be no preaching service in the Baptist church next Sunday, but that he would be back in time for the fourth Sunday service.
Announcement was also made that at regular conference the fourth Sunday in this month the church would arrange for representation in the Barnwell Association, which meets next month. Also consider the call of a pastor, as the present pastoral arrangements ends with October. Let the members bear this in mind, as a good attendance is desirable at that time.
Ladies meeting Wednesday afternoon, and Sunbeam Band Friday afternoon.
B. Y. P. U. had a social meeting Tuesday evening of this week at the home of Bro. C. W. Rentz.

Varn's Remedy Cures.

Varn's Rheumatic Remedy cures rheumatism, lumbago, backache, kidney and bladder trouble. For sale by G. A. Ducker, Bamberg, S. C. Read the following testimonial:
Branchville, S. C., Aug. 17, 1909. Charleston Drug Manufacturing Co., Charleston, S. C.
Dear Sirs:
For a number of years I have been a great sufferer of rheumatism and backache. About two months ago I heard of Varn's Rheumatic Remedy being fine, and a sure cure for rheumatism and backache, and I went to the Wimberly Drug Co. at once and got a bottle. I have taken two bottles, and am proud to say that I am just as clear of rheumatism and backache as I ever was. I am 62 years old, and I consider this medicine wonderful to cure a man at my age. You, nor any one else, can recommend it too highly.
I consider it a great blessing to humanity that this remedy has been discovered. I gained six pounds while I was taking two bottles.
Yours respectfully,
A. H. BRUCE.

Rev. Wilkes Writes.

Barnwell, S. C., September 14, 1909. Dear Editor:—As your paper is generally circulated in my good Bamberg pastoral territory, please let it be announced that I will fill my regular preaching engagements at Salem, Mizpah and Olar next Sunday, September 19th. All saints and sinners are cordially invited to be present. Pews free. No charges for reserved seats.
Stand by your Carlisle Fitting School. Many a great enterprise has fallen low, but to rise again. Grit and grace will overcome all difficulties. Best wishes.
Sincerely,
E. ALSTON WILKES.

J. W. H. Dukes Re-elected Mayor.

Orangeburg, September 14.—As a result of to-day's municipal election, the following candidates were elected: W. W. Wannamaker 286, R. H. Jennings 264, R. F. Bryant 255, Abial Lathrop 208, J. X. Weeks 206, while W. G. Smith and W. M. Sain tied, each receiving 205. They will run over for the sixth place on the aldermanic board.
J. W. H. Dukes was elected mayor by a vote of 290, while his opponent, D. D. Salley, received 104 votes.
The number of votes polled was 408 out of 427 registered.
The election passed off quietly and peacefully. The council elected is an excellent one.
The following of the old council were re-elected: Abial Lathrop, J. X. Weeks and Mayor J. W. H. Dukes. The other candidates received the following vote: I. W. Bowman 165, Noah Wertz 120, Phillip Rich 145, J. W. Josey 136, G. V. Zeigler 169 and D. W. Robinson 21.

Rhett Takes Steps to Enforce Law.

Charleston, September 14.—Mayor Rhett, who since his return from his holiday has been studying better methods for enforcing the liquor laws in Charleston, to-day had a bill introduced into city council to stiffen the ordinances for preventing the illegal sale of liquor here, and also gave out for publication two letters which he has written to Solicitor Peurifoy and to the foreman of the grand jury of Charleston county, inviting these gentlemen to co-operate with him in a better enforcement of the liquor laws.
The ordinance to be passed next month makes it unlawful for persons or firms to lend their names to tigers for the importation of liquor through the police lines, unlawful for citizens to use the names of persons or firms for this purpose, unlawful for firms or persons to deliver contraband liquor, and also works into the present city laws the fact that a revenue license is prima facie evidence of violation of the dispensary law.
To the solicitor and grand jury foreman he has written that he urges a serious effort on their part to enforce the law, and calls attention to a number of cases which have been brought before the grand jury but not tried. He suggests that the solicitor get from him a list of revenue licenses held in Charleston which will provide evidence for conviction. The mayor believes that the juries have not given him the right support, and says so.

Negro Killed Near Clinton.

Clinton, Sept. 14.—A negro was shot on the plantation of Mr. George M. Davis on Sunday afternoon and died yesterday as a result of the wounds. It seems that the negro who was shot, Elliott McDowell, had misused the wife of the slayer, Will Watson, and Watson attacked him as he was preparing to climb a tree to get some mucadines on Sunday afternoon.
Coroner Hairston was notified as soon as McDowell died and he empaneled a jury and held an inquest yesterday afternoon, bringing out the facts as given above.
Will Watson made no trouble but gave himself up at once. He was put in charge of Mr. G. M. Davis, who carried him to Laurens to jail to-day.

POLICEMAN SUSPENDED.

Spartanburg Officer Under Suspicion Protests His Innocence.
Spartanburg, Sept. 14.—As a sequel to recent sensations in police circles, occasioned by the detection of "Bud" Mulligan, a police officer, in the act of robbing the cash drawer of a book store, the city council has suspended from the police force C. C. West, pending an investigation of circumstances causing suspicion of his complicity in the thieving Mulligan is believed to have been guilty of.
Many fountain pens were among the articles missed from this store from time to time and it is alleged that West has given away several of these in recent months.
West said tonight he was absolutely innocent of any wrong-doing and that the pens he had got by trading for them. He worked with Mulligan on the force.
"Unloaded Gun" May Cost Sight.
Union, Sept. 14.—Another "unloaded gun" has nearly resulted in a terrible tragedy, even though no fatality occurred, and may make a little boy blind for life.
It was at Buffalo, in this county, that Elmer and Luther McCreight, aged 10 and 8 years respectively, sons of Mr. Robt. McCreight, were playing on the bed with a shotgun that was supposed to be unloaded, as their father usually kept it that way, but was loaded now because Mr. McCreight had loaded it to kill some dogs that had been worrying him. In playing with the gun it suddenly went off, the charge tearing a large hole in the ceiling of the room and a few of the scattering shot entering Elmer's eyes. Just how badly his eye sight will be affected cannot be told by the physicians who were summoned promptly.

Girl Takes Life by Poison.

Pottsville, Pa., Sept. 14.—Scraping roach poison out of crannies and crevices of her cell until she had collected a half cupful, Jennie Kane, 16 years old, who was sentenced by Judge Brumm to four years in the county prison for theft, committed suicide by moistening the poison with water and swallowing the whole quantity. She died in agony 15 minutes later, after having swallowed the drug.
On Monday last the girl was sentenced, after a consultation of the judges, having pleaded guilty to the larceny of money from the home of Thomas Beddall.
After robbing the Beddall residence she escaped to Philadelphia, where she was apprehended by Chief of Police Davies, who had communicated with the police authorities of that city. All day Sunday she was morose, and guards in the prison heard her muttering as they passed her cell.
